

Intern for Global Business Services IT, Viby J

Department

Application Maintenance & Support (AMS) is located in Viby and is Arla's global supporting function for the support and maintenance of the system landscape. We provide expert guidance and sparring for our users throughout the global organisation.

You will be a part of a global department with members in Denmark, Sweden, Germany and United Kingdom working in a fast moving environment where stability is key in our strategy for GBSIT.

Responsibilities

Would you like to work with IT and get insights into SAP? Are you an enthusiast within the field of IT? Then we need you to help us secure top class IT support for colleagues in our business all over the world!

As our intern you will be assisting on various projects:

Vendor management

We are onboarding different third party vendors and connecting them to our existing SAP solution, and one of our key responsibilities is to build a bridge between line of business and IT.

Process management

Working with a multivendor setup requires firm control. and in Application Support we continuously develop our processes, documentation and reporting.

SAP and a hoc tasks

As part of your internship there will also be opportunities to work in different areas within SAP. Those tasks will be identified based on requirements and your interests.

Student qualifications

We are looking for an intern with strong analytical skills, a holistic mindset and a natural interest for IT. You must be able to transform your theoretical knowledge into understanding of our business. It is important that you are proficient in English. Danish skills would be an advantage but it's not a requirement.

How can you apply?

To us, it's not just about making dairy products. It's about providing the ingredients vital to everyday life.

Please note that to apply for this position it is a requirement that you are enrolled in a study programme during the entire internship. The internship is unpaid. We will, however, provide you with lunch and reimburse travel costs, if any, up to 750 DKK per month.
