

## Intern for Group functions supporting IT and Staff functions

We are a five people team which is responsible for financial support to the IT organisation and Staff functions in Arla Foods. While supporting the business with tools, reporting and financial knowledge, we also challenge the organisation to reach for ambitious goals

### The position

Group functions in Arla Foods are undergoing significant changes as a result of Arla's new ways of organising in order to support Strategy 2020. From the Finance department, we must support these changes by supplying tools, reporting and procedures that enables our stakeholders to manage under the new conditions. You will take part in the work to establish the new structures and solutions required for this and by doing so gain significant insight into the tasks and requirements in a modern Finance function. The position is located at Sønderhøj in Viby, Aarhus.

### Student qualifications

You are studying Finance at MA level, and can read and write in English. We expect you to be a skilled user of Excel, proactive, engaged and ambitious.

### How can you apply?

To us, it's not just about making dairy products. It's about providing the ingredients vital to everyday life. Please

note that to apply for this position it is a requirement that you are enrolled in a study programme during the entire internship. The internship is unpaid. We will, however, provide you with lunch and reimburse travel costs, if any, up to 750 DKK per month. For additional information, please call Betina Madsen at 8938 1343. Please apply via the [LINK](#) no later than 1 April 2016. Please state in your application
